Regarding the Lawsuit Filed by Our Consolidated Subsidiary KAJIMA ROAD CO., LTD.

As announced in “Regarding Judgment and Filing an Appeal on the Lawsuit Filed by Our Consolidated Subsidiary KAJIMA ROAD CO., LTD.” dated April 6, 2023, our consolidated subsidiary KAJIMA ROAD CO., LTD. (the “Company”) filed an appeal to the Tokyo High Court requesting the revocation of a cease and desist order and a surcharge payment order from the Japan Fair Trade Commission, pursuant to the Antimonopoly Act in relation to the manufacturing and sales of asphalt mixture materials in Japan, due to its dissatisfaction with the judgment of the first court in the lawsuit. However, on November 29, 2023, the Company received a judgment to dismiss the appeal from the Tokyo High Court.

Having closely examined the details of the judgment with its litigation representative, the Company has resolved at its Board of Directors’ Meeting held today not to file a final appeal or a petition for the acceptance of the final appeal.

We truly regret that the High Court did not overturn the decision despite its consistent claims that there was no violation of the Antimonopoly Act. Nevertheless, we will promote thorough compliance throughout the Kajima Group to prevent similar instances from occurring in the future. We sincerely appreciate the continued support and understanding of our stockholders, customers, and all stakeholders.

Since the Company paid the full amount of the surcharge (JPY5,801,570,000) on February 28, 2020, pursuant to the above surcharge payment order, there will be no impact on our future consolidated financial results.
