**Our Consolidated Subsidiary KAJIMA ROAD CO., LTD.
Files Lawsuit Requesting Revocation of Orders including Cease and Desist Order
from Japan Fair Trade Commission**

On July 30, 2019, our consolidated subsidiary KAJIMA ROAD CO., LTD. (the “Company”) received a cease and desist order and a surcharge payment order from the Japan Fair Trade Commission pursuant to the Antimonopoly Act in relation to the manufacturing and sales of asphalt mixture materials in Japan, on account of acting in violation of provisions in Article 3 of the Antimonopoly Act (prohibition of unreasonable restraint of trade).

After reviewing the details of the orders and the evidence inspected as well as carefully considering options, the Company is of the opinion that there are errors in the factual findings and judgment made in the orders. To seek judicial judgment, the Company has resolved at its Board of Directors’ Meeting held today to file a lawsuit requesting the revocation of the orders.

While we support the Company’s decision, we will continue to further strengthen and enhance our system for compliance throughout the Kajima Group regardless of this lawsuit requesting the revocation of the orders and its outcome.

We appreciate the understanding and continued support of all of our stakeholders.

The Company recorded a provision for loss on Antimonopoly Act equivalent to the surcharge (JPY 5,801,570,000) by the end of the second quarter of the fiscal year ending March 31, 2020. There occurs no change at this moment to the forecast of consolidated financial results for the fiscal year ending March 31, 2020 announced on November 12, 2019.
