### **Regarding Judgment (First Hearing) on Case for Violation of the Antimonopoly Act**

On March 1, 2021, Kajima Corporation (the “Company”) received a judgment to pay a penalty of JPY 250,000,000 from the Tokyo District Court regarding the case under public prosecution for violation of the Antimonopoly Act over a construction project for the Chuo Shinkansen led by Central Japan Railway Company.

Since being charged by the Tokyo District Public Prosecutors Office on March 23, 2018, the Company has consistently been pleading not guilty in the trial, arguing that there is no violation of the Antimonopoly Act over the abovementioned construction project. The Company finds it very regrettable that its assertion was not affirmed, and will consider its future course of action after closely examining the details of the judgment with its defense counsel.
