Stockholders Holding Special Account

The "Special Account" is a temporary account which the Company has opened on behalf of stockholders at Sumitomo Mitsui Trust Bank, Limited to preserve the right of stockholders who did not deposit their stocks with Japan Securities Depository Center, Incorporated by the completion of electronic stock certification.

Stocks recorded in the special account cannot be traded as long as they remain in the special account excluding demands for purchase of stocks less than one unit, and stockholders are required to apply for "transfer" (transfer of records such as the number of stocks, etc.) to an account opened with security companies if they wish to trade the stock. The Company recommends completing the procedure as soon as possible (transfer fee is free).

Please contact Sumitomo Mitsui Trust Bank, Limited, the account management institution of the special account, or other security companies you have dealings with regarding the transfer procedure from the special account.
